## FOREWORD

IN APPRECIATION OF OUR GOLDEN STATE, CALIFORNIA, AND IN THE WISH TO EMPHASIZE ITS COLORFUL HISTORY, WE. THE STAFF OF THE 1936 MAGNET, HAVE USED AS OUR THEME—"EARLY CALIFORNIA DAYS".

## DEDICATION

WE PAY TO OUR PRINCIPAL, MR. HOWDEN, THIS SIMPLE, BUT ELOQUENT TRIBUTE. HE IS A MAN OF MERIT, BUT MORE THAN THAT, HE IS A MAN OF KINDNESS, SIMPLICITY AND STRENGTH—ONE WELL FITTED TO BE THE DIRECTING FIGURE OF AN INSTITUTION OF YOUTH TRAINING. WE ARE HAPPY TO HAVE KNOWN HIM.

## IN THE TIME OF PLENTY

From fountains deep and still
To-day my cup I fill,
Lest when the years are dry
Of thirst I faint and die.

And from the green-boughed tree
Of lovely memory,
I store these fruits away
Lest I might starve some day.

# THANKS!

GEORGE HOWDEN, Principal

The principal takes this means of thanking the community, board of trustees, faculty and students for their part in making possible the tennis courts, the painting of the Science Hall, and the construction of the shop and the gymnasium. These are material achievements through which the more important non-material are realized. May they be used for increased physical well-being. the building of a responsible citizenship, the development of dynamic scholarship, and for definite vocation training.

## TRUSTEES

To the trustees we say, "Thank you for backing us in every project. Without you Selma High would not be the powerful institution it is today."

# SENIORS

The class of 1936, under the guidance of our capable supervisors, Mr. Sims, Miss Noyes, Mr. Robinson, Mr. Otto, and Miss Nordyke, who instructed and inspired us, accomplished a great deal.

We proved to be one of the best classes that Selma High has ever been privileged to turn out, because of our individual contributions to all of the school activities.

We have striven to paint a colorful picture and to set a good example for the other classes.

We, having participated whole-heartedly, and having excelled in scholastic, athletic, and other extra-curricular activities, feel justly proud of our outstanding group.

We, as freshmen, after becoming familiar with the new surroundings, courageously started the four-year journey. The winning of second place in the class program contest seems to stand out above other successes.

During the second year, we began to recognize the importance of the two following years. Plans began to materialize for the Junior-Senior Banquet.

As "peppy" juniors, we developed many projects, two of which were particularly outstanding.

# SENIORS

"The Black Ace", considered one of the best class plays ever given, was produced by a capable cast of characters under the direction of Miss Noyes. The Junior-Senior banquet, carrying out the novel idea of "Exploration", was thoroughly enjoyed by all who attended. The juniors took the matter of color fights into consideration and wisely abolished them. The students reasoned that color fights were becoming out of date and dangerous; that they also frequently created permanent hard feelings between members of the two upper classes.

"The Patsy", which is to be presented Friday evening, May 22, is expected to be a most brilliant production. The advisors chose a talented cast which consists of the following students: Lucy Anna Davis, Norma Girtz, Dora Woolley, Margaret Gould, Glenn Fowler, Burton Brown, Charles Jackson. The seniors were entertained at an early spring party on Friday, March 13, with Morace Browning acting as the host. The seniors having won the inter-class Magnet sales contest are honored by having an extra page in the 1936 annual. The remainder of this, our last year, is filled with numerous events: class play, baccalaureate, and graduation.

Entering this school as one of the largest classes, we hope to leave the school with a good impression of being also one of the best classes.

## ACTIVITIES

# THE STUDENT BODY

The officers of the Associated Student Body of Selma Union High School are elected by the mamt ers of that body. They are the individuals who assist the faculty and the board in making the "cog wheels go around." The president presides at all student body meetings and tends to the business of the group. The secretary must take the minutes of all student body and student council meetings.

GLENN FOWLER

The annual editor directs the publication of our "Magnet." She is assisted by the two business managers and an assistant editor. The vice-president presides in the absence of our president. Attending all games, the yell-leader leads yells there and at meetings of the student body. The treasurer is a mmber of the faculty and has the difficult job of handling finances.

# THE MAGNET

The Magnet is Selma High's "Who's Who", World's Almanac and Year Book, all rolled into one. It is published once a year; contains records of all the year's important events, and pictures of the classes, organizations, faculty, and class officers. To add variety, the annual has jokes and snaps of the students and teachers.

# THE CLARION

Extra! Extra! The school year 1935-36 declared this the most successful year in the history of the world-famous Clarion!

The staff's motto should be: "Read your Clarion twice a month; see your dentist every two years!"

The Clarion staff deserves a lusty cheer for its good work and an extra one for the advisor, W. Price Robinson.

## FUTURE FARMERS

The F. F. A. is a national organization of agricultural boys whose aims are educational as well as social. Selma's chapter has forty members. The members are brought in contact with agricultural problems through class work, live stock fairs, judging contests, vine pruning contests, and the like. An important local feature is a fund obtained from the F. F. A. poultry farm. This fund enables certain members to participate at various fairs and contests and to borrow money to finance their projects on a larger scale.

## HI-Y

The Hi-Y is our most cosmopolitan group. In it we have our Beau Brummels, our Adonises, our athletic heroes, our politicians, our statesmen, and our scholars. Yet, however cosmopolitan in individual tasks, the Hi-Y in purpose does represent the acme of social organization—to live more wholesomely and to serve more nobly.

## GIRLS' GLEE CLUB

The Girls' Glee Club under the direction of Miss Millicent Peterson, is helping give this year's operetta, "Rose of the Danube". They will appear in the annual Spring Festival which is held in Roeding Park.

Also under the direction of Miss Peterson is the Girls' Treble Clef, the members of which are: Darline Crossley, Florence Carlson, Myrtle Whitaker, Elsie Groshong, Matsuye Takeshita, Margaret Howden, Joyce Hobler, Coralie Grimes, Elaine Jensen. This group has appeared in many programs with great success. Norma Girtz was the accompanist.

## THE BAND

The band, under the direction of Harvey S. Whistler, has between 75 and 100 members. The band, having made several trips, one of which was to Coalinga on Armistice Day, has accumulated many honors. Plans are being made to attend the Spring Festival at Roeding Park in May. They are planning, too, for the annual concert which is to be held in the Selma Lincoln Park. All in all, the band is a unit of success.

The officers are: Verlin Pitts, president; John Frame, vice-president; Boyd Baldwin, secretary-treasurer.

## THE JUNIOR RED CROSS COUNCIL

"What, another surprise!" The receipts of our Junior Red Cross shipments were times of good cheer and good will. Our gifts of Christmas stockings, cookies, toys, and raisins were bearers of joy to the sick and the destitute. Let us continue to surprise them with good deeds and little kindnesses.

## JUNIOR PLAY

The class of 1937 presented on February 21, 1936, a mystery comedy, "Demon in the Dark".

The play, under the superb direction of Miss Ruth Swift, was without a doubt a big success. The cast was well chosen.

Groaning, hysterical laughter, and forbidding voices were the thread of this drama. The mystery of these sounds was solved by a group of young people who were spending the summer on the White Owl Island.

## SENIOR PLAY

The class of 1936 on the evening of May 22, 1936 presented the comedy, "The Patsy", in the high school auditorium at eight o'clock.

The play was a hilarious portrayal of a family, which is dominated by a nervous, fussy, and socially ambitious mother. The story tells of Patsy, who is practically a stranger in her own home, of Grace, her lovely, spoilt, and petulant sister, of Grace's boy friends, Tony and Billy, and of the father, who, when the worm turns, dominates things and brings justice into the home.

The leading roles were taken by Glenn Fowler, Tony; Lucy Davis, Patsy; Dora Woolley, Mrs. Herrington; C. A. Jackson, Mr. Herrington; Norma Girtz, Grace; and Burton Brown, Billy Caldwell. They were ably supported by Margaret Gould, Kay Buchanan; Bob Jensen, Tripp Busty; Bob McPike, Mr. O'Flaherty. Minor additional parts were taken by Mae York, Leona Lohrenz, and Ella Coles.

Much credit should be given to the production staff, which did not occupy the limelight, but added their important and necessary part to the success of the entertainment. Leona Lohrenz was property manager, Kenneth Banks, electrician. We are deeply grateful to Mr. Otto and Miss Noyes for their capable supervision, and to Mr. Sims, our head advisor, who took care of finances and was general chairman.

## OPERETTA

Under the direction of Miss Millicent Peterson, the annual operetta "Rose of the Danube" was presented March 20, 1936. Mixing newspaper reporters, royal families, villains, costumes and roses, we had an operetta of romance and beauty. From the public's estimate the performance was the best we have had in years. We had the honor of having the writer of the operetta present at the performance.

## DEBATING

The debating squad debated with the following high schools this year: Reedley, Edison Tech, Washington Union, and Roosevelt. They won half of the scheduled debates. Lucy Anna Davis, Mae York, Bob Binkley, and Glenn Fowler received letters for participating in three or more debates. Mr. Otto was the able coach of our team.

Row 1: M. Gould, M. Whitaker, Mr. Burrell, G. Thompson, E. Coles. Row 2: K. Banks, C. Crass, K. Carothers, G. Fowler, J. McDowell.

## RALLY COMMITTEE

In an attempt to develop more school spirit, the Student Council this year provided for a rally committee under the sponsorship of Mr. Burrell. This is the most progressive development of any one phase in our school this year. More and better rallies have been produced. There has been more school spirit and better conduct at games.

This committee will be a permanent organization of high standing, built on the tradition of good, clean sportsmanship. It is backed in all action of discipline by the Student Council.

## STUDENT COUNCIL

The council consists of the principal, student body president, vice president, secretary, treasurer, Magnet editor, business manager, and a representative from each of the three lower classes.

The purpose of the student council is to discuss matters of business which concern the student body. This year, the rally committee was formed and the old constitution rewritten. Also, Boyd Baldwin was appointed yell-leader.

Throughout the year 1935-1936 the council tried very hard to please the student body in its decisions.

# ATHLETICS

# HEAVYWEIGHT FOOTBALL

Surprising their supporters with an alert, staunch defense and uncorking a scoring punch whenever the occasion presented itself, the hard fighting Selma High "Bears", under the new coaching of "Tex" Cairnes, battled their way through stiff competitions to finish the season in great form.

Although they dropped all of their league games, they firmly established in the minds of interested pigskin fans that the term "Fighting Bears" is forever with them.

As the new season rolls around, Coach Cairnes will have plenty of experienced men with which to develop what might be termed a "prospective championship outfit." The majority of the team, including Frame, Heiniger, and Hardwick in the backfield and McDonald, Gilstrap, Holm, C. Jolley, L. Jolley, Manley, Pitts, and Serimian, all returning, can look forward to a great season.

The lettermen are Morace Browning, Orville Daggs, John Frame, Glenn Fowler, Donald Hardwick, Arthur Holm, Marion Jacobsen, Clayton Jolley, Leonard Jolley, Melvin Manley, Alex McDonald, Verlin Pitts, V. Serimian, Ned Gilstrap, and Glenn Heiniger.

# LIGHTWEIGHT FOOTBALL

The Selma High "Bearcubs", coached by Irvin Shimmin, went through the league games untied, undefeated, and unscored on to easily cop the division championship. Then they tackled the strong Roosevelt "Rough Rider Babes", winner of the Fresno City League, to decide the Fresno County Lightweight Champions, but lost a hard fought 12 to 0 game.

With the majority of the squad returning, the prospects look bright for the coming season.

# HEAVYWEIGHT BASKETBALL

Coach "Tex" Cairnes and his small but ever fighting "Bears" finished with five league victories and one defeat to close the season right behind the Sanger "Apaches" in the division-two race to wind up one of the most successful varsity hoop campaigns in recent years. Coach Cairnes was confronted by a tough assignment due to a small turn out and the lack of a gymnasium, but gradually as the season progressed, worked his men up to a well functioning machine. Daggs at center, Olson and Hansen at forward, and Duncan and Staley at guard were the first five to carry the attack, but were assisted at times by Sakaguchi, Winters, Heiniger, and Gilstrap as reserves. Daggs, Hansen, and Sakaguchi were awarded gold, silver, and bronze tie pins respectively for scoring the largest percentage of free throws in daily practice.

## MIDDLEWEIGHT BASKETBALL

Starting slowly but improving with each game, the hard fighting "B" cagers under the ever watchful eyes of Coach Shimmin enjoyed a highly successful season. They were not rated high in the pre-season dope, but upset several of the leading teams to tie with Lemoore and Fowler for the division pennant, but lost to Lemoore in the first of the play-offs. Honda, Ota, Macias, Fujihara, and Rasmussen usually were called upon to start the fracas, but were relieved at times by two capable reserves, Madsen and Sakai.

Macias, Fujihara, and Honda were voted upon by their teammates as the most valuable players, and were presented with a gold, silver, and bronze tie pin respectively.

# LIGHTWEIGHT BASKETBALL

Coach Rider had, as usual, a large turnout for "C" basketball, but had a difficult task to mould a team out of inexperienced men. Ken Ota at center and Ray Umade at guard were the only lettermen returning, but as the season progressed he developed a hard fighting and fast outfit winning the majority of their games.

The first team usually consisted of Steward and Sanada at forwards, Ota at center, and Umade and Woolley at the guard posts. The second team usually consisted of Umamoto and Matsunaga at forward, Casey at center, Brown and Kachadorian at guard.

Ota, Umade, and Steward were rewarded with a gold, silver and bronze tie pin respectively at the close of the cage season, being chosen by their teammates as the three most valuable players.

# TRACK

The Selma High track and field squad, numbering over forty, enjoyed a highly successful season under the leadership of Coach "Tex" Cairnes. Although the prospects looked gloomy at the beginning of the season, the boys whipped themselves into the leading cinder team of the county by winning the sweepstakes at the county meet held at Lemoore by sweeping 59½ points in three divisions.

Some of the practice meets the Selmans entered are: Hanford Invitational, Bakersfield Relays, Tulare 20-30 Relays, Selma Invitational, and Washington Union Invitational.

At the county meet, in which eleven records were wiped out of the book, two were established by Selmans. Ken Ota, a 330 sensation, stepped this distance in 39.3 seconds breaking the record of 41.6 seconds held by Eddie Bopp of Selma. The other record was broken when Jerry Wilson, Billy Wilson, Haruo Ota, and Bob Woolley finished the B class 440 relay in 46 seconds, to erase the old mark of 46.2 held by Sanger.

The boys have yet to enter the Valley Meet to be held on May 9 at Visalia, the West Coast Relays on May 16, and the State Meet to be held at Gilroy.

# TENNIS

Interest in tennis was given quite a boost this year by the construction of three fine new courts during the summer. From the very beginning of the year the courts have been crowded with a group of enthusiastic racqueteers.

For the first time in its history, Selma High was able to schedule both practice and league matches, the majority of which Selma won. League play opened with a match with Kerman, in which Selma won all five matches quite handily. Central was the next opponent and in this encounter Selma lost only the boys' singles after a strenuous battle. Fowler, the next opponent, was likewise able to win only one match, the girls' doubles. The last league match, with Washington Union, resulted in four victories and one defeat for Selma, the defeat coming in boys' doubles, who in losing did not thereby lose all chance to compete in the county finals, but must replay Kerman whom Selma defeated quite easily earlier in the season.

Selma High should have three entrants in the county finals this year—Jean Wright in girls' singles; Marjorie Redden and Burton Brown in mixed doubles, and a boys' doubles team chosen from the following group: Carl Crass, Harold Freer, John McDowell, and Wayne Smith.

Girls' singles and mixed doubles have been undefeated in league play. The girls' doubles team, variously composed of Geal Brightwell, Jewel Niswander, Ida Otomo, and Edith Peterson, were eliminated by their sole defeat at the hands of Fowler.

With the exception of Geal Brightwell and Wayne Smith, the entire team will be graduated this year but several promising freshman racquet wielders give coaches Miss Parrish and Mr. Thompson hope for a continuance of Selma's high tennis rating.

## GIRLS' VOLLEYBALL

Under the direction of our new coach, Miss Parrish, the volleyball season was as a whole quite successful. We won all league games except the fourth, which put Selma and Clovis in a tie for first place for the divisional championship. The playoff was held the following week at Washington Union. Selma won the divisional championship.

The County Championship was lost to Riverdale after a hard fight. This is the first time in thirteen years that the Selma team has not won the County Championship. However we sincerely hope that next year's team will recapture the pennant for us.

## SWIMMING

Selma High is going to enter the county swim meet for the first time. We are planning to enter such events as relay, racing, and diving for both boys and girls, and we hope to bring home several victories. An all-school campaign will be held in order that everyone will have a fair chance to compete for the team.

## BASEBALL

Girls' baseball practice started at the close of the volleyball season. After several weeks of hard practice, the team was ready for its league game against Washington Union, whom we defeated by a score of 10-7. Our hopes for the divisional championship were shattered when after a hard battle we lost our third league game to Central.

## ARCHERY

Archery was introduced this year for the first time into Selma High. It was enthusiastically greeted by a large number of girls. They have target practice every day and are developing their accuracy at distances of 30, 40, and 50 feet. More arrows are being made by the woodwork classes, and by next year we hope to have a good archery team.

**Monday, September 28, 1935**

After a long vacation, filled with emptiness, the "employees" of the Selma Union High School once more returned to the fold, joyfully (?) taking their books in hand to resume once more their vague connections with higher learning. After the first mad rush and scramble, everyone settled down to the regular routine, and the even tenor of campus life continued tranquilly, undisturbed except by the plaintive wails and ululations of a few hapless freshmen, vainly imploring their tormentors to tread lightly, as they were trespassing on sacred territory.

**September 30, 1935**

The residents of the Selma school district were invited to cast their votes for or against the drafting of bonds for the construction of a gymnasium on the high school grounds. Aided by several students, who voluntarily contributed their automobiles (or cars) and their time to the transportation of several voters, the election was carried (or passed) by a large majority (or plurality).

**Tuesday, October 15, 1935**

On this occasion we had for our assembly speaker Dr. E. J. Anderson, President of Linfield College, who spoke to us on "The Melting Pot of America." The ancient cauldron, in Dr. Anderson's opinion, is no longer turning out a devil's brew, but is producing some very palatable examples of artistry and handiwork.

We were really sorry to hear that Dr. Anderson's son was not eligible for the presidency of the U. S. At least he could sit and envision roseate dreams of the future, if he knew that the position was open to him.

**Freshman Reception, October 7, 1935**

A goodly crowd attended the house (?) warming. A spanking good time was had by all.

**October 11, 1935**

Football Game, Kingsburg vs. Selma.

Selma's varsity, although unexperienced, had been whipped into shape rapidly by Coach Cairnes and they were rarin' to go. Keyed up to fighting pitch by pep rallies and a bubbling school spirit, the team turned in the best game of the season, holding the strong Vikings down to 26 points, while they themselves scored 20 points.

**November 2, 1935**

Sectional meeting of the Scholarship Federation was held at Selma.

The after-dinner speaker was Rabbi L. Greenberg, of Fresno. The open forum topic was: "Danger Spots in the World of Today."

**Monday, November 18, 1935**

Jacqueline Duke, 13 year old child prodigy, gave a violin recital in the high school auditorium. Quite a large number of students attended the program. Miss Duke displayed remarkable ability and technique, but she was lacking in the finesse and polish which comes only with years of diligent practice.

**December 3, 1935**

Mrs. Mary B. Wallace delivered an interesting address on the problems of modern youth. The burning issue seemed to be "To neck or not to neck." She declared that her faith in the younger generation had not decreased, but had increased tenfold; also that she was firmly convinced that we are not descending into the realm of the canines. (Thank heaven, we have found some one who believes in us and is willing to champion our cause!)

**Monday, December 9, 1935**

Julian B. Arnold, son of Sir Edwin Arnold, who was owner of the London Telegraph, and author of "The Light of Asia," was the speaker.

We were able to gather that Arnold was a brilliant Oxford graduate (without the accent) who had traveled widely and was not at all averse to narrating a few of his adventures.

**Friday, December 13, 1935**

The student body was honored to have as its guest a group of Latvian singers, who gave a fine program of their folk songs and religious anthems. With a touch of comedy imparted by the tallest member, the entire concert was enjoyed immensely by those in attendance.

# CALENDAR

**December 18, 1935**

Mr. Cameron Beck, head of firing and hiring department of the New York Stock Exchange, spoke to the assembly about the various traits, characteristics, and elements which contribute to the making of a successful career in any vocation. Mr. Beck, who is small, but dynamic and loqacious, spoke very rapidily, sometimes without too great a degree of coherence, but he undoubtedly knew what he was talking about, having had many years experience.

The one disappointment (greater to the teachers than the students), was that he did not hand out any tips on the stock market.

**February 14, 1936**

The juniors presented their annual play, "Demon in the Dark." It was a hair-raising thriller, filled with shrieks and groans (most of the groans came from the audience). After keeping the spectators on the edges of their seats (most of them assumed that position after they fell asleep), the demon was brought to light and was forced to pay the penalty.

**February 20, 1936**

At our regular weekly assembly on February 20, Miss Ruby Huyler, formerly organist and pianist of radio station KPO, gave a varied program consisting of a few piano solos and several sentimental thoughts concerning one thing and another. She said that she would leave us with a smile, but most of our smiles were in abeyance, due to our having to rise two times before she saw fit to leave us.

**Thursday, February 27, 1936**

Dr. Frank H. Smith, former missionary to China, and now touring the country as a commentator on foreign affairs, gave an address on the Manchurian situation. He revealed several interesting facts about the customs and habits of the inhabitants which were hitherto unknown. Dr. Smith's talk was interesting as well as educational, and it was enjoyed by the whole student body. Even the freshmen were able to gather some of the information which was provided.

**Thursday, April 9, 1936**

On the Thursday and Friday of this week the students and teachers enjoyed a much needed spring recess. The brief vacation was welcomed by all because the school days had begun to be a monotonous humdrum, the teachers were becoming grouchier day by day, and well, nobody is reluctant to take a vacation, no matter how brief, from his daily cares and woes.

**Friday, May 22, 1936**

The senior class of 1936 presented to the public their annual play, "The Patsy," a comedy in three acts. Most of those who attended had in mind the fact that the Magnets would be issued, but they managed to gain a few laughs from the play and so they left with a sense of satisfaction.

**May 29, 1936**

Junior-Senior Banquet was held at the Hotel Californian. The seniors attended in large numbers, anticipating a good square meal, the first one they have had in years.

Most of those who attended the banquet had no idea that so many pronged instruments of torture and embarrassment existed, outside of a dentist's instrument cabinet.

**Sunday evening, June 7, 1936**

Rev. J. M. Chamberlin, pastor of the First Methodist Church of Selma, delivered the Baccalaureate sermon to the graduating class of 1936. The ceremony,- which occured in the Baptist Church, afforded the members of the class, especially the fair sex, the opportunity to display the new finery and resplendent costumes which were procured especially for the occasion. If any evidences of restlessness and discomfort were evident, they were caused, you may be sure, by the extreme hardness of the pews (church benches).

**Wednesday, June 10**

The annual commencement exercises were held at Rose Avenue Field, at eight fifteen o'clock. This was a momentous occasion for the seniors, who looked very impressive in the black caps and gowns.
